(**Bold is new**)

Section VI. Renewal of License

6-1. General Provisions

1. The Board shall issue licenses which shall be subject to biennial renewal.
2. The biennial renewal shall be based on the following schedule:
 - a. The licensure period shall be construed as July 1 through June 30 of odd-numbered years for persons whose surnames begin with A through L and the licensure period shall be construed as July 1 through June 30 of even-numbered years for persons whose surnames begin with M through Z. For one time only during 2005, those persons whose surnames begin with M through Z would renew for only one year, and thereafter every two years on even-numbered years.
 - b. Each individual's licensure renewal group is based on the first letter of his or her last name at the time of the implementation of this rule or at the time of initial licensure, whichever occurred later. Each licensee shall remain in his or her originally assigned licensure renewal group for all subsequent license renewals. Thus, even if a licensee's name is changed, he or she shall remain in the same licensure renewal group as originally assigned.**
